**CRIMINAL NO. 12-0051-WS**

**ORDER**

This matter comes before the Court on the Government's Motion to Correct (doc. 190).

On October 4, 2012, the undersigned entered a Preliminary Order of Forfeiture (doc. 146) that, in relevant part, provided that all of defendant Daniel Louis McReynolds' right, title and interest in certain vehicles (including, among others, a 2001 Ford Expedition and a 1997 Honda Accord) were condemned and forfeited to the Government for disposition according to law, subject to 21 U.S.C. § 853(n). In its present Motion to Correct, the Government indicates that it inadvertently provided the Court with incorrect Vehicle Identification Numbers for these two automobiles, resulting in a clerical error in that Preliminary Order of Forfeiture.<sup>1</sup>

Rule 36 of the Federal Rules of Criminal Procedure authorizes a court "at any time [to] correct a clerical error in a judgment, order, or other part of the record." *Id.* The inaccuracies in the Vehicle Identification Numbers for these two vehicles in the Order were plainly the result of a clerical error in the information furnished by the Government. Accordingly, for cause shown and in the absence of any discernible prejudice to defendant or anyone else, the Court **grants** the Motion to Correct (doc. 190) and **amends** the October 4, 2012 Preliminary Order of Forfeiture to reflect the correct VIN for the 2001 Ford Expedition (VIN # 1FMRU15W11LA65594) and the 1997 Honda Accord (VIN # 1HGCD5635VA107578). In all other respects, the Preliminary Order of Forfeiture remains unchanged.

---

<sup>1</sup> In particular, the Preliminary Order of Forfeiture recited the VIN for the Ford Expedition as being 1FMRU15W11LS65595, but the Government now says the correct VIN is 1FMRU15W11LA65594 (with corrections to the 12<sup>th</sup> and 17<sup>th</sup> digits). Likewise, the Preliminary Order of Forfeiture listed the VIN for the Honda Accord as being 1HGCD5636VA107578, but the Government now says the proper VIN is 1HGCD5635VA107578 (with a correction to the 9<sup>th</sup> digit).

DONE and ORDERED this 24th day of January, 2013.
